

**Dr. Mutchko** has been a board-certified Family Nurse Practitioner since 1997 with 15 years as a primary care provider as well as 15 years of cardiology experience at both Christiana Care and AtlantiCare.

She graduated from the Pennsylvania State University with a bachelor's in health policy and administration and then attended the Medical University of South Carolina for her bachelor's in nursing. She completed both her master's and doctoral degrees in nursing from Wilmington University in Delaware.

Dawn is the Lead Advanced Practice Provider for the AtlantiCare Health System and continues her clinical practice in the cardiac cath lab at AtlantiCare's Mainland Division.

Dawn lives in Absecon with her husband Greg, her 106-year-old grandmother, and their three dogs. She has three grown children, two who live and work locally and one who resides in Seattle.
